--- 1/8th Pound - “Series of 1897” - SNUFF - design 22 x 28 mm. ---

--- RS-71A DP - a trial green die proof - with the 19 mm. imprint “AMERICAN BANK NOTE CO. OTTAWA**” ---**

★**RS-71A DP** - 1/8th pounds, green die proof - [F-200] - on thin soft wove paper

---

This was my fault. Many years ago I applied a stamp hinge to this copy, and tried to remove it, without waiting for it to dry. I didn’t realize how fragile India paper was.

★**RS-71A DP** - 1/8th pound, green trial die proof, on India paper - badly damaged
